

NICIF Stage Two Application Outcomes

Following assessment, funding allocations have provisionally been made to the organisations listed below. A list of these organisations was originally published on 22nd April 2026 broken down by council area. This has now been updated to include provisional grant awards.

All individual grant awards remain subject to the organisation's formal acceptance of a Letter of Offer and compliance with grant conditions.

Publication of a provisional allocation does not constitute a funding agreement and does not guarantee payment. Allocations may be amended or withdrawn prior to confirmation.

Confirmed grant awards will be published once the acceptance process is complete.

Council Area	Provisional Grant Award
Antrim and Newtownabbey Borough Council	£323,202.70
