Regulatory Framework

**Choice Housing Ireland Ltd – Regulatory
Judgement**

Report 2024/25

Introduction

The Department for Communities (DfC) is the Regulatory Authority for Registered Housing Associations (RHAs) in Northern Ireland. Housing Regulation Branch within DfC undertakes this regulation activity on behalf of the Department. We seek to protect the interests of tenants, homeless people and others who use the services provided by RHAs. To ensure this is achieved, RHAs must provide us with the necessary information on a regular basis to demonstrate how the Regulatory Framework Standards are being achieved.

RHA Background

Choice Housing Ireland Limited (Choice HA) is one of the largest Registered Housing Associations in Northern Ireland with responsibility for over 11,900 units. Choice HA registered its name on the 30 December 2014 following the renaming of Oaklee Trinity HA. In May 2025, it merged with Connswater Homes Ltd, retaining the name Choice Housing Ireland Ltd.

Choice HA provides high quality homes, care and support services to help meet the diverse needs of a wide range of customers including older people, families, mature singles and people with complex needs.

Regulatory Approach

Through our risk-based and proportionate approach to regulating RHAs, we focus our attention on the important risks and key aspects of an RHA's performance. This includes having different levels of engagement depending on an RHA's risk and performance profile.

When we refer to risk, we are specifically referring to the risk to the interests of tenants and other service users. This perspective may differ from an individual RHA's internal assessment of its operational risks. This judgement has been completed in accordance with the risk-based Regulatory Framework (revised 2024).
